Techniker Krankenkasse

State health insurance company with almost 10 million insured clients, a budget volume of over 33 billion Euros and headquarters in Hamburg. In addition to a central office in the industrial park, TK retains an office in the BioPark for students on the university campus and a direct connection to companies undertaking research. Together with BioPark GmbH, TK organizes events for health care, e.g. at the place of work. It also supports BioPark GmbH in public relations concerning medical and technical progress.

- health insurance for employees, self-employed, students and families
- nursing care insurance
- health insurance when traveling abroad
- consultancy programmes
- retirement funds and early diagnosis schemes
- "inhouse" events in the BioPark
- discussion forums and data banks e.g. on biopharmaceuticals
