Inotech Kunststoff GmbH

Business Strategies

The competence of INOTECH is based upon over 20 years of experience in the plastics industry and the commitment of over 350 employees. INOTECH operates as a successful systems supplier for notable customers in the automotive-, telecommunications-, medical technology industries and in machinery-construction and packaging. INOTECH use first-rate technologies, convincing innovations and targeted investments to secure the competition advantage to its customers.

Distribution

Beside its parent plant and headquarter at Nabburg, INOTECH owns another plant in Tachov (CZ).
