Business Strategies

"We make people happier" is Serotalin's mission. With the goal of supporting people in their performance for any situation in life - be it in training, at work, in the family or in sport - Serotalin offers high-quality, non-prescription nutritional supplements based on amino acids, vitamins, minerals and trace elements that create moments of happiness, naturally.

Core technology and services

Serotalin develops and sells food supplements that are free of licensing requirements and that have a positive influence on neurotransmitters such as serotonin and dopamine and thus ensure healthy sleep, more energy, motivation, calmness and joie de vivre in everyday life. Serotalin was awarded the OTH Regensburg Startup Award in 2020.
